Always a great stay

Uncomplicated relaxation. We're more than just an airport hotel. After a day of meetings in any of our 10 meeting rooms, stroll to the green for a round of golf on the Sunset Landing golf course. WiFi is available throughout all common areas. Our full-service restaurant is available for breakfast, lunch and dinner. And if you've got wheels, we've got complimentary parking. We're proud to be a 100% non-smoking hotel.

Where you want to be

Relax in one of our 148 stylish guestrooms with a 32-inch flat-screen TV. Work out any time in our 24-hour gym. Then step out for great local shopping, sports, museums and more. We are located inside the Huntsville International Airport and within walking distance to Signature Flight Support. Plus, we're conveniently located just minutes from US Space and Rocket Center, Redstone Arsenal, Bridge Street Town Centre and Cummings Research Park.
